

After Covid Track and Cross Country 2020 seasons basically suspended we went into the Track 2021 season with high hopes of holding a JO Association meet. Unfortunately, we did not hold this meet as there was no Regional JO meet being held due to Covid.

JO Nationals was held July 2021, with registration based on meeting a qualifying standard.

As we look forward to the fall 2021, we are hoping to hold a JO XC Association Meet.

We will also be preparing to hold the JO XC Regional Meet 2022 and JO Track Regional Meet 2023.
